COVID-19 RESPONSE

What we learned
- Speed, agility and scale important
- Context-specific solutions essential
- School closures widen inequity

What next?
- Opportunity to build back better
- Economic impact threatens education spending

Total GPE allocation – US$508 Million

- $172m (38%) for Learning
- $169m (38%) for System resilience & reopening
- $107m (24%) for Equity
CASE FOR INVESTMENT – KEY MESSAGES

2021-2025

$5 BILLION replenishment

Leverage partnerships and funds to transform education

Enable 175 MILLION GIRLS AND BOYS to learn

Reach 140 MILLION STUDENTS with professionally trained teachers

Get 88 MILLION MORE CHILDREN including 48 million more girls in school

Save $16 BILLION through more efficient education spending

2025

Add $164 BILLION to partner economies

Save 3 MILLION LIVES

Lift 18 MILLION PEOPLE out of poverty

Save 2 MILLION GIRLS from child marriage

MORE SUSTAINABLE, PEACEFUL AND RESILIENT SOCIETIES
