A. PURPOSE

Pursuant to the Charter, the Board of Directors (“the Board”) is the supreme governing body of the Global Partnership for Education (GPE). Through its inclusive membership representing the wider Partnership, the Board ensures that diverse views are represented and can be expressed. The Board reviews performance of key strategic initiatives that are core to those goals, considers the key risks that can derail those goals, and adapts and adjusts its business model and platforms as warranted. In line with the GPE Charter, the Board also serves as a global leader, advocate and convenor for education.

B. FUNCTIONS

The Board is accountable for the effectiveness and impact of GPE, and specifically for fulfilment of the five-year GPE Strategic Plan. This accountability requires proper consultation with constituencies to ensure the voice of the full Partnership is expressed through the GPE Board.

The role of the Board entails:

Strategy and high-level policy

- Development of strategy (including consideration of emerging issues and future trends in the sector, and GPE’s role), and approval of the five-year Strategic Plan.

Institutional and business model

• Oversight of GPE’s overall business model and comparative advantage, and considering its medium-term evolution (e.g., options for impact beyond a funding platform with grant agent implementation).
Global leadership

- Contributions as a global leader, advocate and convenor for education (e.g., on delivery of quality education to all children in developing countries, and on mobilizing resources for education in developing countries).

Appointments and performance review

- Performance assessments of the Chair, Vice Chair, CEO and Committee Chairs

C. ROLE OF THE BOARD CHAIR, VICE-CHAIR AND MEMBERS

As a principle, the Board Chair, Vice-Chair, and members (main and alternates) should be able to act on a fully informed basis, in good faith, with due diligence and care, and in the best interest of GPE. The Board Chair and Vice-Chair will act solely in the best interests of the GPE without any constituency representation status or obligation. Board members and Alternate Board Members will use their best endeavors to consult with their constituencies before Board meetings, prepare for and attend all meetings unless there is a notified and valid reason not to do so, and actively participate and contribute during meetings.

Information on Board operations can be found in the Board and Committee Operating Procedures. (revision forthcoming)
